MSYSA may endorse up to a grand total of eight teams per age group. All teams seeking endorsement by MSYSA for participation in the Midwest Regional League **must be in good standing** and **must have played in either the Midwest Regional League or Michigan State Premier Soccer Program in the most current season of play**. Teams will be given points based on the team performance in their most recent State Cup and league competitions. This point system is intended to assist the MSYSA MRL Selection Committee. **There are not a minimum number of points needed to guarantee endorsement to the MRL**.

A final decision about which teams are endorsed for participation is the responsibility of MSYSA, and MSYSA will decide all matters not provided for in these policies and procedures. U14 teams who are not accepted for the fall season may still be considered for the following spring season.

Appeals or questions regarding acceptance/rejection should be sent to MSYSA Vice President Dave Mashni at davemashni@gmail.com.
