2014 State Cup Seeding – Point System

For the purposes of the MSYSA State Cup, teams shall be seeded according to the point system below. Only 1-2 teams shall be seeded per pool per age group. Teams can earn points through their previous year's play in the National Championship Series (and Junior State Cup) and through the most recent league season of play. In case of a tie on points, the tie shall be broken at the discretion of the MSYSA State Cup Committee. In cases where a team leaves one club and moves to another club, the MSYSA State Cup Committee shall determine on a case by case basis whether the points shall be transferred with the players to the new club. The final decision on seeding is the responsibility of the MSYSA State Cup Committee, and the MSYSA State Cup Committee will decide all matters not provided for in these policies and procedures. There is no recourse for teams if they do not agree with their seeding, and there shall be no refunds to a team who drops out of the tournament due to disagreements over seeding.

Questions regarding acceptance/rejection should be sent to the MSYSA State Cup Committee at statecup@michiganyouthsoccer.org.
