TO: MSYSA League Presidents and Delegates
RE: 2011-2012 Seasonal Year

As part of MSYSA's new tiered pricing fee structure approved at the Annual General Meeting this past March, player releases, player transfers and dual registration fees (and associated paperwork) will no longer be collected by MSYSA. Instead, player releases, player transfers and dual registrations will now be managed and handled by MSYSA's affiliated leagues. MSYSA encourages our affiliated leagues to track their player releases, player transfers and dual registrations. MSYSA affiliated leagues may utilize forms (such as the forms MSYSA previously used) to track their player releases, player transfers and dual registrations, if they so choose. (See attached templates and links below.)

*NOTE: For teams participating in MSYSA's State Cup, MSYSA & US Youth Soccer do require the tracking of player releases, transfers and primary/secondary team designations in the case of dual-rostered players. Therefore, MSYSA is requiring the use of an online form (https://www.gotsport.com/forms/open/form.asp?FormID=305) which must be completed and returned prior to MSYSA's State Cup Roster Deadline. This form verifies player/team eligibility.

For leagues interested, templates for releases, transfers and dual registrations are posted on MSYSA's website or available by going to the links listed below. (MSYSA affiliated clubs and leagues may also use their own forms if they so choose as well.)

Releases:

Finally, MSYSA's 2011 Rules and Regulations Document are attached. Note again; the processing of player releases, transfers and dual registrations is substantially different than in years past. Should you have any questions, please do not hesitate to contact us at the MSYSA State Office.

Sincerely,
