Re: Indoor Insurance

Dear MSYSA League Presidents and Delegates:

As you may or may not be aware, MSYSA's membership moved towards a new tiered pricing structure. As part of the new tiered pricing structure, MSYSA is now able to provide indoor insurance coverage on behalf of our members. Insurance protection, as a result of indoor participation, is now provided if:

- An MSYSA affiliated league (where players are already registered to teams), in writing to MSYSA, sanctions or endorses indoor team participation.
- An MSYSA affiliated league hosts or coordinates indoor training, games, practices, scrimmages, etc.
- MSYSA affiliated leagues must request insurance certificates online from www.michiganyouthsoccer.org in advance of player and/or team indoor participation.
- Coaches, Assistant Coaches, Team Managers and other Team Officials must be registered with MSYSA and must be MSYSA Risk Management Certified.

MSYSA will only provide secondary medical and general liability protection for those currently registered with MSYSA.
MSYSA indoor insurance applies to currently registered players, coaches, assistant coaches, team managers, league administrators and board members who may participate on an indoor field with or without boards or who may participate in a gym or in some other sanctioned activity such as play on non-soccer specific indoor space.

Leagues wishing to register players/coaches (those that did not participate on teams in the fall) early and in advance of our spring soccer season or leagues wishing to register players for INDOOR ONLY with MSYSA may do so by contacting Joel Dragan at 734-459-6220 x201 or by email at jdragan@michiganyouthsoccer.org.

Note that coverage cannot be bound via email or via phone messages. Payment and registration data for early player/coach registration, for those that did not participate in the fall and in advance of our spring soccer season, for INDOOR ONLY players and coaches must be received by MSYSA before members are insured for indoor.

Sincerely,

Thomas K. Faro
MSYSA Executive Director
