# State Cup Game Reports

Prior to each State Cup game, BOTH teams need to log in to their GotSoccer accounts and print out the State Cup Game Report. Instructions for doing so are below.

Both teams should present the referees of their games with the State Cup Game Report that they print out. Referees will be instructed to check-in both teams on only ONE State Cup Game Report*. The second State Cup Game Report should be retained by the referee for his/her records.

The winning team (or home team in case of a tie) is responsible for mailing in the ONE completed State Cup Game Report within 24 hours of the game. Failure to do so may result in a $100 fine or game forfeiture.

## How to Print Off a State Cup Game Report

1. Log into your Team Account (www.gotsoccer.com)
2. On the front page under "Event Applications", click on "2013 MSYSA Fall State Cup"
3. Click on the "Schedule" tab
4. Click on the Game Number corresponding to the game in which you need a State Cup Game Report
5. Open and print off the State Cup Game Report (it will be in PDF format)
6. Bring the State Cup Game Report to your State Cup game and give it to the referees

**When you print off the State Cup Game Report, all of your players and your opponent's players should appear on the game report. If this does not happen for any reason, it is because the players are not listed in the team's GotSoccer account. It is critical that all teams put their players into their GotSoccer team account for exactly this reason.*
