FOR IMMEDIATE RELEASE

MSYSA Launches Online Coaching Education Module for Under 5-6 Recreational Coaches

Plymouth, Michigan (March 10, 2014) – The Michigan State Youth Soccer Association is excited to release an online recreational coaches module specific to the under 5 & 6 year old age groups. The purpose of this coaching module is to help educate the novice U5 & U6 coach. We define the novice coach as someone who has limited or no experience working with players ages 4 and 5 years old. Many coaches have either played or coached at some ages but the U5 & U6 player is unique and to be a successful coach in this age group you will need a new and/or special skill set.

This course can be accessed by visiting www.michiganyouthsoccer.org and navigating to the MSYSA Online Education Platform and following the directions to select the course, create an account and begin the module! The cost to register for this module is $25.00 per candidate.

Upon completion of this module, each participant will be able to download a certificate as well as be provided the opportunity to download the entire module for an additional resource for use on the soccer fields!

Register Now for the MSYSA U5 & U6 Module!
