FOR IMMEDIATE RELEASE

MSYSA and Accelerated Rehabilitation Centers Begin Partnership

Plymouth, Michigan (January 18, 2012) – The Michigan State Youth Soccer Association (MSYSA) is excited to announce its new partnership with Accelerated Rehabilitation Centers, the largest physical therapist owned and managed practice in the U.S. As the official sports medicine provider for MSYSA, Accelerated is committed to providing excellent, quality care and supporting the MSYSA athletes, coaches, parents, and families.

Accelerated's more than 60 highly skilled, certified athletic trainers and hundreds of physical therapists possess first-hand knowledge and experience related to the exact training and health care needs involved in athletics. The Accelerated sports medicine services are unparalleled in the industry, as their top priority is to help patients achieve their goals of staying healthy and staying on the playing field.

"Accelerated is ready for and excited about this new partnership," said Eric Warner, CEO, Accelerated Rehabilitation Centers. "We are committed to supporting the growth and development of U.S. soccer at the grassroots and top levels; and we are happy to do so in partnership with MSYSA, an association that has a long history of success."

Through this partnership, Accelerated's athletic trainers and physical therapists will assist in the prevention, treatment, and clinical rehabilitation of athletic injuries, provide members of MSYSA with complimentary injury screenings, and coordinate physician referrals (usually within 48 hours after initial injuries). Accelerated's highly-qualified staff members will also be present at MSYSA state-run events, offering on-site injury evaluations, immediate care, as well as valuable guidance on stretching and injury prevention. In addition, MSYSA members have access to the Accelerated Rehabilitation Centers' Sports Medicine Hotline at 877-97-REHAB (877-977-3422). Staff members are prepared to answer any questions regarding sports conditioning programs, injury prevention and treatment, concussions, first aid, and hydration.

As a result of the partnership between MSYSA and Accelerated, MSYSA members can expect additional exciting, beneficial promotions to continue to become available. Details will be made known through the MSYSA website, at events and tournaments, and through MSYSA's social medias.
