The Premier College Combines are a great way to be seen by college coaches during the winter months. These events allow high school players to showcase their talents in front of college coaches. Your High School soccer team does not need to be registered. This event is designed for individuals to participate. Players are assigned to teams by position. Each player will play in at least 3 - 15 minute games spread throughout the day in front of college coaches. Each team consists of 6 field players and 1 goalkeeper.

The college coaches will receive a resume book with a resume page for each participant.

Space is very limited. Do not wait.
