

The Premier College Combines are geared to help high school aged players get recruited to college programs by allowing players to play in front of college coaches in a small sided venue to maximize exposure. We offer 3 types of combines:

1. **Premier College Combine** (winter) – players sign up as individuals and are assigned to teams. This will play in front of college coaches throughout the event.
2. **Premier College Combine and Clinic** (spring/summer) – players are trained by college coaches as well as being observed by college coaches.
3. **Premier College Combine and Seminar** – prior to the combine, players and parents learn what it takes to be recruited and what to look for in a college as well as a sports program.

What makes the Premier College Combines different from most other showcase tournaments and combines is that all players in the College Combine sign up individually. This insures the coach that every player at the combine wants to play soccer in college and is considered potentially "recruitable". Our Combines use a smaller venue of 1 to 4 fields at one time, college coaches can watch every player and will not miss anyone.

We are hosting over 25 combines in the Winter of 2012 and Spring/Summer 2013. These events will be located in Michigan, Illinois, Indiana, Ohio, Pennsylvania, New York, New Jersey, Maryland, Massachusetts, Connecticut and Ontario, Canada.

The Combine Sponsorships will be for a 1 year period for events starting on August 1<sup>st</sup> 2012 and will be concluding on July 31<sup>st</sup> 2013. Multiyear agreements can be negotiated.
