MSYSA Field Insurance FAQ's

What needs to be submitted?

Field or facility locations where your Club/League has soccer activities should have a certificate.

Who can submit requests?

Any League Official (someone who currently holds a Board Position with the League and is filed with MSYSA on the League Affiliation document each Fall – or each time an update in Board positions occur) may submit a request at any time by going to <http://www.michiganyouthsoccer.org/Page598.aspx>

Why didn't I receive last year's COIs for this year's season?

Each fall, all Leagues must file the "League Affiliation" document (included with the Registration package and is available on our website) and \$50 fee. Once form and payment are remitted, all COIs on file for your League will be emailed to the League Registrar for the new policy period.

Do I need to resubmit our fields EVERY year?

No. Once they've been submitted, they remain on file and will roll over each year unless a League indicates need for removal.

Why can't I just have a Certificate in the name of My League as the certificate holder?

Blanket certificates create confusion on what is or isn't covered. Some may interpret blanket certificates to insure items or people that are in fact not covered in our policy. Additionally, facilities generally require a certificate in their name for renting purposes.

So who is covered under the Policy?

Anyone registered under the MSYSA umbrella (coaches, managers, players, volunteers, etc) actively participating in an MSYSA sanctioned activity.
