July 13-16, 2013

2000 holdover camp parents will need to pick up their players after Holdover Camp as we do not have a bus for 2000 Girls players invited into holdover.

All girls' camp buses (Trinity Coach) will depart from the North parking lot of Schoolcraft College, 18600 Haggerty, Livonia, MI. Second player pick up for west side players is at I-94, Exit 75, Oakland Ave, Park and Ride in Portage, Michigan, two hours after the initial departure from Schoolcraft College.

Players from previous camps will return home on the same bus that dropped off players attending the next camp. The estimated departure from DeKalb IL Camps is 12:00 noon CT. Players will make a dinner stop and continue on their route home. We drop off at the Portage Exit and also at Schoolcraft College. The 1999 Holdover girls will already be in IL, they will have a ride home at the conclusion of holdover camp via charter bus from the 2000 girls camp drop off bus. The 2000 holdover girls will need to find their own transportation home at the conclusion of their holdover camp, because there is no other bus dropping off players and we do not provide a separate bus to just pick up the holdover girls. The fee would be too costly.
