

## 2013 Michigan US Youth Soccer ODP Tryouts

Girls and Boys August 2nd, 3rd & 4th

Location for Girls and Boys Tryouts: Independence Park Canton, MI

The Michigan US Youth Soccer ODP, in conjunction with the United States Olympic Development Program, is available to all Michigan Youth. Our goal is to identify and develop soccer players capable of competing at Olympic and International levels. It is designed to support youth needs at the advanced skill level and stresses player identification and development to their highest potential. MSYSA/ODP players have many benefits and opportunities available to them, in addition to exposure of top level coaching and training.

All players must tryout each year, even if they have made the Regional Pool in 2012. The only player's excused from tryouts are those players attending an ODP regional event on the same days as tryouts. If you make a regional pool you still must register, pay on time, and also come to the first and last scheduled tryout session for your birth year. In order to attend any Region 2 activities you must be registered with MSYSA/ODP. If you can't make the tryout dates due to an injury, you must still register and pay and send in a doctor's note to get a one time alternate tryout. Any excused injuries must be pre-approved for an alternate tryout.

All participants must register on-line through Got Soccer, and pay with major credit card. On-time tryout fee is \$100.00 if registered by 7/15/13, 4:00pm. A \$50.00 late fee will be charged to any payment received after July 15<sup>th</sup> 4:00pm. All tryout registration closes on July 26th. If you miss this deadline, you can't tryout. Each year we turn players away who have missed the deadline. REGISTER EARLY! Refunds will be honored for documented medical emergencies only (doctor's written excuse). No refunds one week prior to event. See our refund policy at <a href="https://www.michiganyouthsoccer.org">www.michiganyouthsoccer.org</a> a \$50.00 administrative fee will be withheld for any approved refund.

## THERE IS NO ON-SITE REGISTRATION-On-Line Registration will end July 26th 4:00pm
