MSYSA Recreational Grants Overview

Recreational Grants totaling \$10,000 will be made for the purpose of enhancing recreational soccer clubs and leagues within the State of Michigan. Any league or club currently affiliated with the Michigan State Youth Soccer Association may apply for a grant. Due to the limited nature of the grant monies available, the grants are designed to be small and no grant amount over \$2,000 will be awarded. It is anticipated that most grants will be in the \$500 range and can consist of certificates, cash or in-kind services.

The grant amount must be no more than 50% of the cost of the proposed total project. The club/league requesting a grant must be in good standing with MSYSA. A grant from MSYSA would be a one-time occurrence and will be given in one amount.

To be successful, the grant must be on the forms provided, must be for the exclusive use of recreational programs and players, and must further the purposes of increasing membership, providing a new service or improving the quality of current services.

The following are ideas for grant topics, but are, by no means, the only ideas that may be successful: outreach to schools to increase membership, existing TOPSoccer program needs, setting up a play day or tournament, long-range-planning process, player/coach handbook, financial software, startup newsletter costs, training equipment, coaching education, web page development, computer, software, etc.

MSYSA Recreational Tournament Grant Overview

Recreational Grants totaling \$15,000 will be made for the purpose of enhancing existing recreational soccer tournaments within the State of Michigan. Any recreational tournament currently sanctioned by the Michigan State Youth Soccer Association may apply for a grant. Due to the limited nature of the grant monies available, the grants are designed to be small and no grant amount over \$3,000 will be awarded. It is anticipated that most grants will be in the \$500 range and can consist of certificates, cash or in-kind services.

The MSYSA Sanctioned Recreational Tournament requesting a grant must be in good standing with MSYSA. A grant from MSYSA would be a one-time occurrence and will be given in one amount.

To be successful, the grant must be on the forms provided, must be for the exclusive use of recreational programs and players, at least 70% of the tournament must be recreational players, and must further the purposes of improving the quality of current services to recreational players and coaches. MSYSA's decision on grant winners will include consideration on appropriate resources available to host a successful recreational tournament.

The following are ideas for grant topics, but are, by no means, the only ideas that may be successful: tournament t-shirts, tournament awards, tournament management software, tournament equipment, etc.

Eligible tournaments must have at least 70% of recreational teams and/or players participating.

All grants will be awarded on Friday, February 13, 2015 at the MSYSA Awards Ceremony. Leagues who are awarded with a grant must have someone at the MSYSA Awards Ceremony to receive the grant award. If no one is present, the grant award is forfeited. The application will be posted on the MSYSA website at www.michiganyouthsoccer.org. Grants must be neatly typed or written.

A budget indicating exact anticipated expenditure of the monies must be submitted. Any attempt to use the grant funds inappropriately will place the league or club in bad standing with MSYSA. A league or club with more than one level of play must certify that the funds are to be used totally to benefit only recreational players.

MSYSA's decision on grant winners is final. No record of deliberations will be made. All questions about the grant process must be made to the MSYSA Executive Director, Thomas K. Faro. All information must be listed, all documents attached, and the package is considered complete as issued. No add-on documents will be accepted. Only one request per league/club will be accepted. The person completing the application may or may not be called for clarification of an item or items, but no additional materials may be issued.

The MSYSA Executive Director will make the final decision on grants including amounts. The MSYSA Executive Director reserves the right to present all or part of the amount marked for disbursement and the total may not reach the amount requested either in total for the grant request or for the amount available.
