FOR IMMEDIATE RELEASE

MSYSA & Premier College Combines Continue Partnership

Plymouth, Michigan (August 14, 2014) – The Michigan State Youth Soccer Association is pleased to announce that in a continued partnership with Premier College Combines, MSYSA will be able to offer College Combine events throughout Michigan. Premier College Combines, a premier company that will blend education and athletics together to help players plan and prepare for the right collegiate program, will continue to offer talented high school aged athletes opportunities to play in front of college coaches for recruitment purposes. Premier College Combines has a large following around the Midwest, East Coast and Canada and will host over 25 combines in the winter, spring and summer of 2014-15. These events will be located in Michigan, Illinois, Indiana, Ohio, Pennsylvania, New York, New Jersey, Maryland, Massachusetts, Connecticut and Ontario, Canada.

How does it work?

Premier College Combines uses a smaller venues and only 2-4 fields at one time so that College Coaches can watch every player and will not miss anyone during the Combine whereas at a large tournament showcase there is always a possibility that a coach may miss a game because he/she is at another location watching another player. With Premier College Combines, the coaches never have to leave to watch another match.

What do I do after I register for a Premier College Combine?

Once a player is entered into the Premier College Combine, the player should then contact coaches of potential schools they are interested in and prearrange with the coaches to be seen at Premier College Combine events. For more information, please visit www.collegecombine.com.

Premier College Combine strives to provide the best service to all participants. By participating with the Premier College Combine, participants will have an opportunity to be seen by college coaches during the winter with limited travel. This will allow you to save on travel, hotels, meals and more all while placing you in front of a great selection of college coaches. If you are interested in registering for any 2014-15 Combine events, please visit www.collegecombine.com for a list of upcoming dates and locations.
