## Director's Academy Printing Game Reports

Prior to each DA game, BOTH teams need to log in to their GotSoccer accounts and print out the GotSoccer DA Game Report. Instructions for doing so are below.

Both teams should present the referees of their games with the DA Game Report that they print out.

The official submission of game reports is done online, however, the referees do need the physical copies from GotSoccer. The GotSoccer game reports will be retained by the referees for their use in recording game information online (the winning team does not keep a copy to mail to MSYSA).
