

Michigan State Youth Soccer Association, Inc.  
Request for Proposal  
2020 State Cup/Jr. State Cup - Spring

## Purpose

---

The Michigan State Youth Soccer Association, Inc. (MSYSA) is a non-profit organization dedicated to excellence in leading, educating and serving the soccer community.

Currently, MSYSA is looking to contract for facility use within MSYSA (state association) boundaries to host our annual Round of 16, Quarterfinals, Semifinals, and Finals Spring State Cup and Junior State Cup matches in May-June 2020. Age groups include U10 – U13 Boys & Girls and U14 – U19 Boys.

MSYSA's goal is to contract with a facility owner for a one (1) year period with an option to extend to future years.

A contract would commence with MSYSA's Spring 2020 tournament with the option, as stated above, of extending an existing agreement to future years.

## History/ Background

---

The Michigan State Youth Soccer Association, Inc. (MSYSA) was founded in 1976.

MSYSA currently has a volunteer board of directors and nine (9) full time staff members. Our membership is comprised of approximately 90+ leagues, 90,000 players, approximately 12,000 team officials and 6,000 referees.

The MSYSA State Cup is the first level of competition in the US Youth Soccer National Championship Series. Teams who win the State Cup earn the right to represent Michigan at regional and potentially national competitions. In the State Cup, each team plays three self-scheduled games. Teams who do well will advance to the Round of 16, Quarterfinals, Semifinals, and then eventually the Finals.
