General Questions

What guidance is MSYSA using to make its decision about a return-to-play date and about whether to postpone or cancel certain MSYSA programs/events?

MSYSA is using guidance from the State of Michigan, Michigan Department of Health and Human Services, CDC, US Youth Soccer, US Soccer, University of Michigan School of Public Health and MSYSA's insurance carrier.

Do I get a refund if my club decides not to participate in the fall season if/when soccer resumes?

Please make contact with your child's club. Team/Club fees paid by parents directly to clubs should be addressed with your child's club and not with MSYSA. MSYSA does not intervene, as a third party, in parent/club financial agreements/obligations.

What is MSYSA anticipating in terms of what return-to-play will look like? Will it be regional or statewide? Will it be gradual (varying levels of activity reintroduced in phases) or all-or-nothing? Does MSYSA expect to receive further guidance from the state, USYS, etc. regarding "how" to return-to-play?

As of June 5, 2020, MSYSA has returned to training. Please review [MSYSA R2T Guidelines](#), which is available on our website.

Michigan State Youth Soccer Association

Has anything changed as a result of the Michigan Supreme Court's ruling on October 2, 2020, regarding Executive Orders issued (after April 30, 2020) by Governor Whitmer?

No. MSYSA, and its affiliated clubs and leagues, are subject to [MDHHS Emergency Order Under MCL 333.2253 – Gathering Prohibition and Mask Order](#). If/when there are any significant changes to MSYSA's Return-To-Play (RTP) Guidelines, this information will be communicated with our affiliated clubs and leagues.

Are the use of facial coverings by all athletes still required?

Yes. Please see MDHHS Executive Order Under MCL 333.2253.

If I'm a parent/spectator and I witness a suspected violation of MSYSA RTP Guidelines, who do I notify?

Please make contact with your Club COVID Point of Contact and/or your respective Club Representative.

How does MSYSA address/handle alleged violations of the MSYSA RTP Guidelines?

Please see RTP '3 Strike' Policy.

Can a Club, League, MSYSA/MSPSP program/event penalize a team/team officials for non-compliance with MSYSA RTP Guidelines?

Yes. Please see MSYSA RTP '3 Strike Policy'.

Fall 2020 Registration

Are there any changes for Fall 2020 registration for MSYSA direct member leagues (due to COVID-19)?

Information about league registration is available on the [League Registration](#) page of our website. Fall registration deadlines have not changed. However, there was an adjustment to our late fee schedule for registrations submitted after the final deadline, which is reflected on our [2020-2021 Fee Structure](#) document. Also, a change was made regarding how initial registration invoices will be calculated for 2020-2021 registration, which was communicated via email to league representatives in late June. If you did not receive that email or have other registration-related questions, please reach out to [Danielle Henry via email](#).

Michigan State Youth Soccer Association

What if my league decides to cancel our Fall 2020 season?

If you are a direct member league and you've decided to cancel your fall 2020 season programming, please reach out to [Danielle Henry via email](mailto:Danielle.Henry@michiganyouthsoccer.org) as soon as possible in order to notify MSYSA and identify any next steps.

Fall 2020 State Cup

What is the plan for the upcoming Fall State Cup?

As of September 8, the Fall State Cup is 'on' although in a significantly different format. Unfortunately, the change in format also reduced the number of participating teams and many good teams who have played in MSYSA programs and tournament for years were left out. This was not an easy decision for MSYSA, but the best chance for having semblance of a Fall State Cup.

On September 8, it was communicated to teams participating in the new format that State Cup preliminary games would be played September 19 – October 11, 2020. Teams are to self-schedule their games and report the game schedules to MSYSA via email by September 13 (StateCup@michiganyouthsoccer.org).

It is expected that the Final rounds of State Cup will be played October 24 – 25, 2020 in Saginaw.

MSYSA will distribute game day guidelines and processes to teams that will be in effect for the preliminary and Final rounds of State Cup. Notable items include the limitation of spectators, a face recovering requirement for players (and coaches & spectators), and changes to field layout.

The teams not selected for the new format of State Cup were refunded in their entirety on August 17. Refunds were credited to the credit card on file with the State Cup application.

MSYSA acknowledges that the new format is far from ideal. We hope that the new format allows some semblance of the tournament. However, if conditions necessitate further delays, MSYSA may make additional changes to the tournament, such as establishing knock-out rounds instead of round-robin play or changing the tournament calendar. More information will be communicated to teams if/as conditions necessitate changes.

Director's Academy

What's the plan for the 2020 fall season of Director's Academy?

Michigan State Youth Soccer Association

As of September 8, the fall season of the Director's Academy is 'on' although schedules have been reduced to 6 games per team. The majority of games are already scheduled, and referees will be assigned to games shortly.

MSYSA is still in the process of registering teams for the Director's Academy. Rosters and pass cards will be distributed beginning September 11 for registered teams.

As games are now an imminent reality, MSYSA will begin invoicing clubs for the team registration fees. Registration fees are \$275 per team, although there will be a credit for reduction in fall season games. Prior to the season starting, MSYSA will distribute game day guidelines and processes to teams that will be in effect for the Director's Academy. Notable items include the limitation of spectators, a face recovering requirement for players (and coaches & spectators), and changes to field layout.

MSYSA is aware that there will continue to be challenges and concerns related to COVID-19. If (as) conditions change, so too may the rules, deadlines, etc. MSYSA is prepared to be flexible with reschedule requests and club pass carding requests for situations relating to COVID-19. Teams should contact sarah@michiganyouthsoccer.org with questions, concerns, reschedule requests, etc.

National League

What's the plan for the 2020 fall season of National League Conferences?

As of September 8, the fall season of the National League Conferences is underway.

MSYSA is in the process of registering teams, and distributing rosters and pass cards. Please contact sarah@michiganyouthsoccer.org with NLC-specific registration questions.

ODP & ODP 101

What does the cancellation of ODP Regional Camp mean for future Inter-Regional Events? How will those players be selected?

US Youth Soccer has cancelled all ODP Regional Camps. However, US Youth Soccer is hopeful its Fall Inter-Regional Events will take place. Currently, there will be 36 players selected per age group, per gender. State Associations will submit their 36 player rosters for each age group and gender by early August. Shortly after, players will receive invitations to participate in the Inter-Regional Events. We will compose player selection from the following elements:

- USYS State Association identification processes currently underway (2019-2020 State Teams)
- Player's participating in the 2019 USYS ODP Inter-Regional invite process

Michigan State Youth Soccer Association

- USYS ODP consultation with USYS State Technical Directors and leadership to identify emerging talent

If you have further inquiries about US Youth Soccer Regional ODP, please [email Mica Goodrich](mailto:mica@msysa.org) for assistance.

Since the ID Weekend was cancelled, will there be ODP programming this year?

MSYSA intends on holding an alternative to the ID Weekend event later this year. [Tentatively, the ODP Tryouts will take place on November 28-29, December 26-29, and January 2-3.](#) Birth year will determine which set of days and times players will attend. Once remaining details and a facility are finalized, we will post all relevant registration information to our website and social media channels. We anticipate this information being available soon. Please email stateoffice@michiganyouthsoccer.org with specific inquiries regarding ODP.

Tournament Sanctioning

What will happen to my sanctioned tournament and sanctioning fee?

Currently, MSYSA will not sanction or insure any affiliated tournaments through October 31, 2020. However, this could change and be extended. Affiliated tournaments may begin the application process for sanctioning on September 11, 2020 for tournaments taking place during the 2020-21 seasonal year. Current restrictions will make the conducting of traditional tournament formats impractical and challenging. Please consider this as you plan and promote your tournaments. Please contact our state office at stateoffice@michiganyouthsoccer.org with any questions you may have regarding your respective tournament.

Coach Education

What will happen with the US Soccer Coaching Education courses that are currently 'in-session', and those on the horizon?

This decision will be made by US Soccer. Currently, all US Soccer Coaching Education ***in-person*** courses hosted by MSYSA have been suspended through December 31, 2020. MSYSA is currently in the process of rescheduling courses for the Fall and will announce new course dates soon. Candidates from D License courses that were suspended due to Coronavirus will be invited to complete the course in a new 'blended' format, which will begin in October and culminate in Spring 2021. Additional online-only grassroots courses (7v7, 9v9, 11v11) will be hosted by MSYSA on various dates from October through December. We will release all registration information once the courses are finalized.

MSPSP

What is the plan for MSPSP this fall?

MSPSP will proceed with a Fall 2020 season beginning Sept 25th and ending Nov 22nd.

While MSPSP is excited to return to competitive soccer, this will unfortunately not be a traditional fall season – the season has been shortened have been shortened, there are less matches, many divisions are 'halved', and there is a requirement issued by the Governor for all players to wear fask coverings or face gaitors.

What is the plan for the Season?

While our traditional objective is providing the states' best competition for soccer, our current objective is to return to competitive soccer in the safest way we feel possible.

MSPSP will have a reduced match count for the Fall 2020 season. Teams will have either 4, 5, or 6 matches based on the amount of teams in that division.

The breakdown in divisions, as well as the changes to NLC Qualifying are below.

Divisions with 5 teams will play 4 matches; 2 Home, 2 Away

Divisions with 6 Teams will Play 5 Matches; 2 Home, 2 Away, +1 Home or Away

Divisions with 7, 8, 9 teams will play 6 matches; 3 Home, 3 Away

With this change, many of our divisions will not play all of their opponents in their division or the other half of their division. Many of the divisions are split into A / B (ex Premier 1 A & Premier 1 B), with teams placed with other clubs in their geographical area when possible to facilitate more local-play. As a result of these changes brings a lack of competitive balance we traditionally offer, combined with the lack of contact soccer since March in MI, there will be no traditional 'Division Winners' & rewards for Fall 2020.

NLC Qualifying will endorse teams as these divisions remain competitively balanced and play all of their opponents.

For NLC Qualifying, the divisions have been split up into 5 & 6 team divisions.

NLC Qualifying divisions with 5 teams will play 4 matches; 2 Home, 2 Away

NLC Qualifying divisions with 6 Teams will Play 5 Matches; 2 Home, 2 Away, +1 H or A

NLC Qualifying divisions have been renamed numerically.

Fall Flexibility

If (as) conditions change, so too may the rules, deadlines, etc. MSPSP is prepared to be flexible with reschedule requests in regards to fees. MSPSP reschedule policy is still active for deadlines.

Late-Player Additions have had their fee temporarily removed since registration – this will again be active Sept 22nd.

In the event that there are any rule changes – MSPSP will communicate this as well as post this information to our website as applicable.

Fall 2020 Passcards & Rosters

MSPSP Official Passcards & Rosters will be available (published) on September 22nd.

Any TEAMS requiring passcards or rosters prior to Sept 22nd, please reach out to MSPSP via email to request early passcards - *the fee is currently waived*, but if you do not need passcards or rosters prior to Sept 16th, DO NOT request early passcards.

Any PLAYERS requiring MSPSP passcards or rosters prior to Sept 22nd, please reach out to MSPSP via email. We will provide individual player passcards needed.

On Sept 22nd, Passcards and Rosters will become available to Club Accounts in GotSoccer – users with access to the Club Account will then need to download and distribute the passcards as needed.

MSPSP Fall 2020 Credit

MSPSP will not be issuing refunds for Fall 2020 registration fees.

Instead, there will be a credit attributed per team to the club for the next registration enrollment. This credit has been set at \$50 per team. For example, if a club had 10 teams in MSPSP Fall 2020, that club will have a credit of \$500 towards their registration fee for either MSPSP Spring 2021, or MSPSP Fall 2021 – whichever they next participate in.

MSPSP will notify clubs of their credits.

How can I stay informed with MSPSP?

Michigan State Youth Soccer Association
