General Questions

What guidance is MSYSA using to make its decision about a return-to-play date and about whether to postpone or cancel certain MSYSA programs/events?

Effective March 5, 2021 at 12:01 AM organized contact sports, including soccer, may resume in Michigan, provided all participants wear facial coverings during practices and competitions. All participants must maintain 6 feet of social distance from each other when not engaged in play. Gatherings of non-participants for the purpose of observing sports practice and competition must be held consistent with section 3 per the MDHHS Emergency Order under MCL 333.2253 – Gatherings and Face Mask Order. In addition to MDHHS, MSYSA is using guidance from the State of Michigan, CDC, US Youth Soccer, US Soccer, University of Michigan School of Public Health and MSYSA’s insurance carrier.

Are the use of facial coverings by all athletes still required?

Yes. Please see MDHHS Executive Order Under MCL 333.2253.

Please make contact with your Club COVID Point of Contact and/or your respective Club Representative.

Spring 2021 Registration

Are there any changes for Spring 2021 registration for MSYSA direct member leagues (due to COVID-19)?

Information about league registration is available on the League Registration page of our website. Spring registration deadlines have not changed. However, there was an adjustment to our late fee schedule for registrations submitted after the final deadline, which is reflected on our 2020-2021 Fee Structure document. Also, a change was made regarding how initial registration invoices will be calculated for 2020-2021 registration, which was communicated via email to league representatives in June 2020. If you did not receive that email or have other registration-related questions, please reach out to Danielle Henry via email.

What if my league decides to cancel our Spring 2021 season?

If you are a direct member league and you’ve decided to cancel your spring 2021 season programming, please reach out to Danielle Henry via email as soon as possible in order to notify MSYSA and identify any next steps.
