

Michigan State Youth Soccer Association

IMPORTANT!!!

In order for a team to successfully submit the MSYSA Application for Participation in the NLC, their club must first create a team profile for them in GotSport (new system in 2021-2022) and must assign a team official to that team in GotSport. That team official can now register the team for NLC. The team official will need their GotSport log-in information.

Clubs can contact StateOffice@michiganyouthsoccer.org if they need assistance in doing the items mentioned above.

How to Submit the MSYSA Application for Participation in the NLC

1. Go to www.michiganyouthsoccer.org. Toggle over the 'Programs' tab and select National League Conferences. Click on the application link and log-in to GotSport.
2. Assuming the club properly created a team account and linked you (the team official) to it, the team will be listed under the heading "My Teams". If you are linked to multiple teams, multiple teams may be listed. Click on the register button next to the team you want to register for NLC.
