Subject: Fall 2022 League America Festival Applications

We are excited to support State Association grassroots efforts once again through national grants in support of Fall 2022 USYS League America Festivals (Formerly United Cup). The flexibility of these grants allows State Associations to schedule grassroots programming that best suits local needs while receiving USYS funding.

Each approved Fall 2022 State Association League America Festival event will receive the following in support:

- \$3,000 in cash support (to be paid after the event has taken place)

Please note that for all Fall 2022 League America Festivals, there are NO national sponsor conflicts. We encourage every State Association to maximize their local League America Festival programming to meet their goals.

The Fall 2022 League America Festival application form can be found [here](#).

Applications will be accepted from August 1, 2022, through August 12, 2022, ONLY for events scheduled to run through December 31, 2022.
