## MSYSA ODP Try-Outs (Safety Protocols)

To ensure player safety during the COVID-19 era, the follow measures have been implemented. Please read and carefully review our ODP safety protocols in preparation for ODP Try-Outs. This event is a drop-off / pick-up event. Parents/spectators will NOT be allowed into the facility. Only ODP participants are permitted in the facility.

MSYSA ODP COVID-19 Point-of-Contact:

Tyler Zbik, Director of Programs

- Participants must complete the MSYSA Youth Waiver (COVID19) and submit to MSYSA, [stateoffice@michiganyouthsoccer.org](mailto:stateoffice@michiganyouthsoccer.org) prior to participation.
- Continue all risk reduction practices implemented for outdoor Return-To-Play (RTP). Participants, Coaches, and Staff must all follow applicable MSYSA Game Day Processes.
- If you have been in contact with someone in the last 14 days who has been infected with COVID19 or if you or anyone in your immediate family are showing symptoms of COVID19, you cannot attend ODP try-outs/events.
- Facial coverings must be worn during tryouts and must cover your nose and mouth.
- MSYSA Staff will conduct a verbal health check of the players prior to entry into the facility.
- Players should bring a DARK (preferably black) colored shirt as an alternative-colored uniform to differ from the ODP Tryout uniforms should the player need to swap colors to scrimmage. Scrimmage pennies / bibs will not be provided given sanitation concerns.
- Marathon 'Sticky Bibs' will be used on players' dark colored shirts for identification purposes. Each player will receive 2 sticky bibs that will stick on (without leaving residue) to the back of the players shirt to resemble their ODP Tryout number.
- Layer up! Doors may be open. Participants are encouraged to layer up as it may be colder than usual inside the facility.
- No spectators are allowed - this event is a drop-off / pick-up event. Parents/spectators must remain in their cars while players check in at the front door and enter the facility.
- Players should maintain 6 feet distance from one another if they are not on the field playing or whenever possible. There should be no congregated gatherings, high fives, fist bumps, etc.
- Sanitizing stations will be available; however, participants are encouraged to bring their own for personal use.

- The facility cafv© will not be open - public water fountains are also not available. Players should bring their own water bottles and sources of snacks, energy bars / gels, etc. All water bottles should be labeled with the player's name. Players are not to share water or snacks with one another.
- Carpooling to and from the event is not recommended.
- Families are encouraged to check the MSYSA website and social media pages for updates regarding ODP. Updates will also be communicated to participants with the email addresses provided at the time of initial registration.
- Any personal equipment (soccer balls, water bottles, etc) should be sanitized prior to arrival and only used by that player.
- Coaches will provide soccer balls for scrimmage usage that are sanitized.
- All participants must abide by MSYSA policies and the policies of MI STARS SPORTS CENTER.

## Check-In

- The event is DROP-OFF ONLY. There are no parents/spectators permitted into the facility during ODP tryouts.
- MSYSA Staff will be at the facility entrance checking in registered participants and providing them their tryout shirt as will conduct a verbal health check of the players prior to entry into the facility.
- THERE IS NO ON-SITE REGISTRATION. Registration must take place prior to the event.
- Upon being dropped off, players are to wait, socially distancing themselves, as they check in with MSYSA Staff to enter the facility.
- Players are to bring a DARK colored shirt as an alternative to their ODP try-out shirt (white). MSYSA will provide players 'Sticky Bibs', much like Marathon Bibs, at check-in for players to use on their DARK colored shirt (this will match their ODP Tryout shirt).
- There should be no congregating prior to or following try-outs. Players will be dropped off, check in, and then proceed to their try-out location in the facility. Upon completion of each session, players should immediately leave the facility to return to their transportation home, as there is limited time between sessions.
- Participants should check in 20 minutes prior to their session.
