Junior State Cup Game Score Reporting

The winning team (or home team in case of a tie) is responsible for:

- **REPORTING** in GotSport the game scores of each Junior State Cup preliminary game and
- **UPLOADING** to GotSport the game report for each Junior State Cup preliminary game.

These are two distinct and different processes as outlined below.

Scores and game reports are due within 24 hours after each game. Failure to report scores and/or upload game reports within 24 hours may result in a \$100 fine or game forfeiture.

Reporting Scores

Option 1: Go to <https://system.gotsport.com/scoring> and follow the prompts. Event Code and Event Pin can be found at the top of the game report. *Please report the score only.* Do not report yellow/red cards, injuries, or anything else it may ask.

Option 2: Rostered coaches and managers can report scores from their GotSport account. Follow the instructions posted at <https://gotsport.zendesk.com/hc/en-us/articles/360053699153-How-to-Enter-Upload-a-Score-from-a-Team-Account>. *Please report the score only.* Do not report yellow/red cards, injuries, or anything else it may ask.

Uploading Game Reports

Option 1: Go to <https://system.gotsport.com/scoring> and follow the prompts. Event Code and Event Pin can be found at the top of the game report. We recommend entering and saving the score of the game (only), and then uploading the game report. Click on "Upload Game Sheet" beneath the away team and follow the prompts. Please upload PDF or JPG files only. They should be large enough and clear enough to be legible.
