The submittal of a member organization player registration form signed by their parent or guardian (if the player is under 18 years of age) or by the MSYSA online registration system electronically signed by their parent or guardian (if the player is under 18 years of age), binds that player to that team for the seasonal year unless granted a release. (see "Rule 3.6: Player Release, Transfer, Dual Registration")
 - 2. Each team/club shall be required to submit to the appropriate member organization officer various forms as may be required for the operation of the organization and pay all dues, fees, or fines that may be levied by the member organization or Association.  - 4. A registered player shall be committed to a team for a full seasonal year. The player may participate on other teams within the team's organization dependent on the MSYSA member affiliate registration rules. Once registered and in the absence of mitigating circumstances, a player must remain with the same team until the

completion of the seasonal year for the member organization in which his team participates. Any attempt to induce a player to change teams for either the current or the following seasonal year prior to the end of the seasonal year shall be poaching in violation of "Rule 3.7". During the time which a team has suspended member organization play, players and club or team officers or representatives may freely discuss new affiliation for the following seasonal year.

The board of directors shall establish a calendar tryout date at minimum of one year in advance. For high school age boys teams playing only in the spring session, tryouts may be held from the established date by the board of directors until the start of high school practice and after the high school season ends in the fall. - C. **Registration and Transfer Cut-off Dates.** The board of directors may set cut-off dates for player transfer for each playing season or seasonal year. If changing from previous season, transfer and registration dates will be announced at the annual general meeting of the MSYSA. The board of directors shall have the authority to accept player registration after these dates and such late registration shall be subject to a fee as approved by the board of directors.

- D. MSYSA shall allow teams participating in the National League or National League Conferences to register the number of players as permitted by those leagues.
- E. For all age groups allowing a 22 player roster, the game roster shall have a maximum of eighteen (18) players and a minimum of seven (7) players.

Rule 3.6: Player Release, Transfer, Dual Registration

These rules apply to Select, Premier and Elite competitive levels and for transactions by member organizations.

A. Player Release.

1. **Voluntary Release** means the removal of a player from a team's roster at the request of the player or parent/guardian. A parent/player must approve the voluntary release. **A voluntary** release will be granted if:
 - a. A parent/player requests to be released,
 - b. The player moves to a new address, a distance which in the opinion of the board of directors, would make it impractical for him/her to continue with the original team or,
 - c. There are mitigating circumstances, which in the opinion of the board of directors justify a release.
2. **Involuntary Release** means the removal of a player from a team's roster at the request of team authorities. An **involuntary** release will be granted only if the player is unable to play for one of the following reasons:
 - a. The original team suspends operations for the remainder of the seasonal year or;
 - b. The player has violated rules of this Association and has been suspended for a period greater than five (5) games or,
 - c. The player is injured in such a manner that the player will not be able to participate for the remainder of the seasonal year or,
 - d. The player moves to a new address, a distance that in the opinion of the board of directors would make it impractical for him to continue with the original team and has demonstrated an inability to continue in participation on the soccer team.
 - e. There are mitigating circumstances, which in the opinion of the board of directors justify a release.

In any of the above cases, where a player seeks a voluntary release or a member organization official seeks to involuntarily release a player, a member organization Player Release Form must be completed by the player/his/her parent or guardian (if the player is under 18 years of age) and/or a member organization official and have the appropriate signatures. Player/parent signatures are not required for involuntary release. The member organization must validate the request before player release approved. Once a player is released from a team he/she is eligible to apply for a player transfer. **However, obtaining a player release does not guarantee the player a roster spot on another MSYSA team, nor is player transfer guaranteed.**

No player release form or fee is required to be submitted to MSYSA.

B. Player Transfers.

1. A player may apply for a player transfer once they have been granted a player release.

2. MSYSA is authorized to grant a player transfer without existing team member organization or new team member organization approval on the basis of player safety, relocation and/or reasons as determined by the MSYSA Board of Directors. All other player transfers must be approved by the player's existing team member organization and new team member organization before MSYSA member organizations will consider approving the transfer. Application for a player transfer must be made to the MSYSA member organization on their required member Player Transfer form. It is the responsibility of the new team member's organization to verify the player has been released from the existing team and is eligible for a transfer.
3. Required and optional signatures on the member organization transfer form are dependent on member organization transfer process.
4. The new team must have a spot on their roster to accept the transfer player.
5. During any seasonal year a team may have no more than five (5) transfer players on their roster in order to be eligible to participate in MSYSA State Cup.
6. All transfers must be in compliance with the member organization's transfer rules, policies, procedures or bylaws.
7. No player transfer form or fee is required to be submitted to MSYSA. Identifying transferred players is required when submitting MSYSA State Cup roster.
8. The league from which a player is transferred may charge the new team a player transfer fee. Under extraordinary circumstances, such as the dissolution of a team or player's family moves a significant distance so that remaining with their team is a major hardship, the transfer fee may be waived. Player transfers within a club are not subject to this recommendation. It is expected the league will return a significant portion of the transfer fee to the player's prior club.

C. Dual Rostering.

A player may register with up to two teams per seasonal year. Permission to allow or not allow dual registered players is the MSYSA member organization jurisdiction.

1. The member organization dual registration form (if applicable) must be completed with appropriate signatures before the MSYSA member organization will consider approving the dual registration.
2. A player may not play for more than one team in the same competition (meaning MSYSA State Cup, MSYSA member organization league division, etc.). A player must play on a team within the primary team's club in the MSYSA State Cup.
3. In all cases of dual rostering involving State Cup, a player may only play State Cup with a team from their primary team's club.
4. In all other cases, the team with which a player first registers must be designated as the primary team and the other team must be designated as the secondary team. MSYSA member organization may change the primary and secondary designation if appropriate after the initial team registration.
5. An individual player may NOT dual roster on a NLC team and a MSPSP team. A team that plays in both the NLC and MSPSP must have identical rosters.
6. If the coaches of the two teams disagree on the designation of the primary team, the player may not play until the registration issue has been resolved by the MSYSA member organization.
7. A dual rostered player shall be issued two US Youth Soccer passcards, one for each team.
8. Any player who registers for a team without informing the responsible team official and member organization official that they already registered with another team shall forfeit all games for this team for the time period that the player has not obtained the approval for dual registration from MSYSA member organization.

9. Dual registrations will not be permitted by MSYSA during the months of May, June, October and November, unless a hardship case exists and approval is provided by MSYSA.
10. No Player dual registration form or fee is required to be submitted to MSYSA.

Rule 3.7: Poaching

Poaching is considered a significant offense by this Association and any league, club, or individual found to have committed a poaching violation shall be subject to a significant sanction as determined by the MSYSA board of directors. Such sanctions may include a financial penalty of \$2,000 or more, loss of coaching privileges for a year, and ineligibility to participate in MSYSA authorized events including MSYSA's State Cup Tournament, the National League Conferences or any other appropriate sanction.

Players, coaches, team officials, and/or club officials who participate for only a single-season (Fall or Spring only) within the seasonal year are still subject to poaching for the entirety of the seasonal year. For the purpose of this rule a seasonal year is as defined in MSYSA Rule 2.11B.

Any club, team, or league which through its responsible officers or representatives,

- A. Attempts at any time prior to the approved Open Assessment Week of any seasonal year to induce a registered player (or their parent or their guardian) of any team, or any team as a whole, club, or league under the jurisdiction of this Association to leave their current affiliation before the end of the current seasonal year will be considered a poaching violation.
- B. Attempts at any time prior to the approved Open Assessment Week of any seasonal year to induce a registered player (or their parent or their guardian) of any team, or any team as a whole, club, or league under the jurisdiction of this Association to leave their current affiliation for the following seasonal year will be considered a poaching violation.
- C. In those instances in which a coach, team official or club official moves from one club to another separate and distinct club, they may not coach, or act as a team official in any capacity, for players from teams of the former club they were identified as a primary or assistant coach, team official or club official (excluding their son or daughter) for 12 months to the day of their separation from their former club. This rule does not apply under the following:
 - a. The coach, team official or club official's club dissolves.
 - b. The appropriate prior club representative – the club president or DOC – agrees in writing to permit the coach, team official, or club official to coach, or act as a team official for, players from the previous club before the 12 months of their separation from their former club has passed.
- D. For purposes of this rule, contact is not limited to personal contact, but will include contact by phone, text, emails, face book and all other social media. Responsible representatives include but are not limited to parents of team members, trainers, team managers, club or league board members, and club or league directors of coaching. The appropriate response by the responsible representative to player initiated contact is to provide requested information. Any recommendation for the player to attend training, tryouts or any other team, club or league soccer event by the representative would be inappropriate and considered an attempt to induce a player to leave their present soccer organization. A club or league advertising on their own website, social media, or using mass email communications is not considered poaching. MSYSA affiliated clubs who participate in unaffiliated tryouts and/or otherwise commit to players for MSYSA-affiliated teams prior to the MSYSA-approved tryout date may be at risk of poaching sanctions per Rule 3.7. Attendance by the player at such events when initiated by the player or player's parents will not be considered poaching.
- E. Activities that are allowed prior to the established tryout date are:
 - a. **Open Assessment Week.** The Monday through Friday (5 days) prior to the established tryout date shall be considered an 'open assessment week.' Players are encouraged to train with various clubs in preparation for tryouts. Assessments of players, by teams and clubs may be offered for the purpose of determining player interest and fit within the team composition. The assessment is non-binding until the player has participated in the official tryout and committed to the club/team (signed a player agreement/contract on or after the established tryout date).

- i. Returning Players – At any time, teams and clubs may advise currently registered players regarding placement options on a team for the upcoming seasonal year for their current team or club.
- ii. New Players - Teams and clubs may advise new players (players not currently registered with the given team or club) regarding prospective options on a team for the upcoming seasonal year during the Open Assessment Week, and not prior.

4. If the registrar's records show the player is properly registered, the matter is finished. If the player is not properly registered, the forfeiture provisions of Rule 4.10 Ineligible or Improperly Registered Player apply.

Rule 4.10: Ineligible or Improperly Registered Player

- A. Any team playing a player, who is ineligible, whether accidentally, intentionally, or otherwise, shall forfeit the game(s) in which that player takes part and may face further disciplinary action by the member organization and/or the board of directors, depending upon the nature of the violation.

Section 5: Discipline Policies

Rule 5.1: Responsibility for Discipline

- A. **General Cases.** In general cases, the member organizations shall be responsible for governing those persons associated within their operation, and shall establish procedures to that effect. However, it is the duty of all member organization officers, coaches, referees and assistant referees to report immediately any infraction of "*Misconduct Toward Game Officials*" and "*Misconduct of Game Officials*" (see appendix).
- B. **Member Organization Discipline and Appeal Procedures.** Member organizations shall provide procedures for discipline, protest and appeals for their affiliated members. - F. **Decline to Hear Appeal.** Authorities responsible for hearing appeals may decline a hearing if:
 - 1. The appeal does not pertain to the original protest or the decision of a lower authority;
 - 2. The appeal is filed by a party other than the original parties to the protest/appeal.
- G. **Timeliness of Response.** At all levels of the appeals process, if a decision is not reached within thirty (30) days of receipt of the written appeal, the party filing the appeal may submit the appeal to the next higher level and the appeal fee submitted will be applied to the next level.
- H. **Status of Decisions.** All decisions at all levels of the appeal process shall stand and be in full force and effect until changed by a higher authority.
- I. **Ultimate State-level Authority.** Decisions of the MSYSA discipline and appeals committee shall be binding unless the decisions are overturned by a higher authority. Failure to abide by decisions of the committee shall be grounds for disciplinary action by the MSYSA board of directors.

Upon receipt of a report of an assault or abuse of a referee by a spectator, the chairperson of the discipline and appeals committee, or their designate, will form an ad hoc committee composed of the chairperson (or their designate) and two (2) individuals on the MSYSA board of directors who are not members of the member organization(s) involved in the case. The chairperson will perform a preliminary investigation and disclose the results of the investigation to the ad hoc committee. The ad hoc committee will determine if there is enough evidence to sustain a charge of assault or abuse. If not, no action will be taken. If there is enough evidence, a letter will be forwarded to the team informing them of the requirement to post a cash bond up to \$1,000 with the MSYSA. After receiving written notification of the requirement for a bond, the team shall have forty-eight (48) hours to post the bond with MSYSA. Failure to remit that bond to this Association shall place that team temporarily under suspension and not in good standing. Any games missed or games played after the forty-eight (48) hour period but prior to the posting of said bond will be considered forfeit.
 2. The matter will be referred to the discipline and appeals committee for a complete investigation and hearing. Said hearing will be conducted with the same procedures established for hearings conducted for assaults of referees by players, coaches or other team officials. After hearing all the evidence the discipline and appeals committee may return the bond if the charges prove untrue; may continue the bond for a period of time not less than one (1) year; may increase the amount of the bond to a maximum of twice the amount of the original bond; or may reduce the amount of the bond; depending on the severity of the offense.
 3. If a second such offense occurs involving any supporter of the same team within a period of two (2) years, the amount of the bond shall be doubled. The original bond, if still in effect, will be forfeited.
 4. If a third such offense occurs involving any supporter of the same team, the team shall be suspended from all competition under the auspices of the MSYSA. Provisions will be made to prevent the reforming of the same team members with a new team name.
 5. The MSYSA shall return the bond at the end of the period determined by the discipline and appeals committee

I. Misconduct of Game Officials. In case of misconduct by referees or other game officials, USSF Policy 531-10 shall apply, including reporting procedures (See Appendix). Section 1. General

Section 5. Penalties and Suspensions

Penalties for violation of this policy shall be assigned according to the Penalties Matrix in effect at the time the misconduct allegedly occurred, available [here](#). See **Policy 701-1 --- Hearing Procedures**

Policy 701-1 --- Hearing Procedures

This policy provides the minimum rights that each party would have at a hearing with respect to the right to assistance in presenting one's case at a hearing, as must be allowed under Federation Bylaw 701(5). These minimum rights apply to hearings conducted by Organization Members and their members or other hearing body. A copy of these minimum rights should be delivered to the parties with the notice of the hearing.

- (A) Each party at a hearing shall have the right to have an individual present at the hearing to assist the party in presenting the party's case. Such individual may, but shall not be required to be, an attorney.
- (B) If the Organization Member or member of the Organization Member ("Complainant") is represented by another individual at any hearing and the hearing panel allows that individual to speak, question the parties and/or witnesses, or grant that individual any other rights, then it shall afford all other parties, or the individual representing the party, including an attorney, the same rights during the course of the hearing as is allowed to the individual representing the Complainant.
- (C) If an attorney is present at a hearing to assist a party in presenting the party's case, it shall be clear at the commencement of any such hearing that the hearing shall proceed in accordance with the Organization Member's hearing rules and procedures. All Federal, State or local Rules of Evidence or Civil Procedure shall not be applicable.
- (D) An Organization Member may provide, as part of its hearing rules and procedures, that an individual assisting a party may be allowed to speak on behalf of the party, make requests or ask questions at the hearing.
- (E) Regardless of whether the Organization Member allows the individual assisting the party the rights to speak, make requests or ask questions, as noted in Paragraph D above, an individual assisting the party in presenting the party's case shall have the right to be physically present in the hearing room, and so as not to interfere with the hearing procedure, it is also recommended that the individual be seated close to the party (either behind or next to the party) so that the party may seek assistance when desired during the course of the hearing.
- (F) During the course of the hearing, the party may confer briefly with the individual who is assisting before making a statement or request or prior to responding to a question. The panel conducting the hearing may limit the frequency and duration of the conferences so as not to unduly interfere with the proceeding.
- (G) If there is confusion or concern, the party may request a recess to confer with the individual assisting the party. Such a request should be granted unless the number of requests by a party becomes unreasonable or the length of a requested recess is deemed by the hearing panel to be unreasonable.
- (H) An individual assisting a party may prepare written materials for the party and collect documents for the party. However, the party must submit or present the materials and documents as materials and documents of the party, and not of the individual assisting. The party has complete responsibility for those materials and documents and is subject to questioning about them.

- (I) Nothing contained in this policy shall prevent an Organization Member from allowing greater rights to assistance than those set forth in Paragraphs A-H above. For example, an Organization Member may, but shall not be obligate to, allow more than one individual to assist a party at any given time.
- (J) The rights, either mandatory or permissible under this policy, shall be consistently applied, and Organization Member should not arbitrarily allow or disallow the rights set forth above to those individuals assisting a party in the presentation or defense of the party's case.
