Proposed Amendment to MSYSA Rule 3.6 B (7)

Proposed by: Ryan Theisen, Director of Operations/Events

Date Submitted: 4/28/25

To be effective: 4/28/25

I. Current Rule:

Rule 3.6: Player Release, Transfer, Dual Registration

B. Player Transfers

(7) Player transfers will only occur between November 1 and March 1. Player transfers will not be processed during any other period except for under extraordinary circumstances as determined by the MSYSA Board of Directors and as directed by Rule 3.6 B9.

II. How the Rule Would Be Changed:

Eliminate the entire section from the rule(s):

~~7. Player transfers will only occur between November 1 and March 1. Player transfers will not be processed during any other period except for under extraordinary circumstances as determined by the MSYSA Board of Directors and as directed by Rule 3.6 B9.~~

III. Rationale:

The transfer rule already requires the player's existing team member organization to approve the transfer. If they are OK with a transfer taking place outside of the current November 1 – March 1 window, there is no need for MSYSA to restrict or deny the transfer. If it affects specific MSYSA league(s), the league(s) may choose to implement stricter transfer window policies of their own.

IV. Outcome:

MSYSA Board of Director's Approved, 4-28-25.
