conviction, or upon a plea of Nolo Contendere or its equivalent, shall not, of itself, create a presumption that the person did not act in good faith and in a manner which he or she reasonably had cause to believe to be in or not opposed to the best interests of the Association or its members and, with respect to any criminal action or proceeding, had no reasonable cause to believe his or her conduct was unlawful.

Section 2. Suits by or in Right of the Association

To the extent permitted by Michigan law from time-to-time in effect and subject to the provisions of this Article XI, the Association shall indemnify any person who was or is a party to or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the Association to procure a judgment in its favor by reason of the fact that he or she is or was a director, officer, employee or agent of the Association, or is or was serving at the request of the Association as a trustee, director, officer, employee or agent of another corporation, (including attorneys' fees) actually and reasonably incurred by him or her in connection with the defense or settlement of the action or suit if he or she acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the Association or its members, except that no indemnification shall be made in respect of any claim, issue or matter as to which the person shall have been adjudged to be liable for negligence or misconduct in the performance of his or her duty to the Association unless and only to the extent that the court in which the action or suit was brought shall determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case, the person is fairly and reasonably entitled to indemnity for such expenses as the court shall deem proper.

Section 3. Indemnification against Expenses

To the extent that a person who is or was a director, officer, employee or agent of the Association, or a trustee, director, officer, employee or agent of any other corporation, partnership, joint venture, trust or other enterprise with which he or she is or was serving at the request of the Association has been successful on the merits or otherwise in defense of any action, suit or proceeding referred to in Sections 1 and 2 of this Article XI, or in defense of any claim, issue or matter therein, he or she shall be indemnified against expenses (including attorneys' fees) actually and reasonably incurred in connection therewith.

Section 4. Determination that Indemnification is Proper

Any indemnification under Section 1 or Section 2 of this Article XI (unless ordered by a court) shall be made by the Association only upon a determination that indemnification of the person is proper in the circumstances because he or she has met the applicable standard of conduct set forth in Section 1 and Section 2. The determination shall be made (1) by the board of directors by a majority vote of a quorum consisting of directors who were not parties to the action, suit or proceeding, or (2) if such a quorum is not obtainable, or even if obtainable, a quorum of disinterested directors so directs, by independent legal counsel in a written opinion.

Section 5. Reimbursement of Expenses

Expenses incurred by any person who may have a right to indemnification under this Article XI in defending a civil or criminal action, suit or proceeding may be paid by the association in advance of the final disposition of the action, suit or proceeding as authorized in the manner provided by Section 4 of this Article XI upon receipt of an undertaking by or on behalf of the person to repay the amount unless it shall ultimately be determined that he or she is entitled to be indemnified by the Association pursuant to this Article XI.

Section 6. Insurance

The Association may purchase and maintain insurance (and pay the entire premium thereof) on behalf of any person who is or was a director, officer, employee or agent of the Association, or is or was serving at the request of the Association as a trustee, director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against any liability asserted against his or her status, as such, whether or not the Association would have the power to indemnify against such liability under the provisions of this Article XI or under the provisions of Sections 561 through 565 of the Michigan Business Corporation Act.

Section 7. Merged and Reorganized Corporations

For the purposes of this Article XI, references to the Association include all constituent corporations absorbed by the Association in a consolidation or merger, so that a person who is or was a trustee, director, officer, employee or agent of a constituent

corporation or is or was serving at the request of a constituent corporation, partnership, joint venture, trust or other enterprise, shall stand in the same position under the provisions of this Article XI with respect to the Association as he or she would if he or she had served the Association in the same capacity.

Section 8. Severability

The invalidity or unenforceability of any provision of this Article XI shall not affect the validity or enforceability of the remaining provisions of this Article XI.
