NATIONAL 1 - GAME REPORTING

Printing N1 Game Report

Prior to each N1 game, BOTH teams need to log in to GotSport and print out the GotSport N1 Game Report. Instructions for doing so are below.

Both teams should present the referees of their games with the N1 Game Report that they print out.

Please note that GotSport uses the term 'match card'. MSYSA uses the terms 'game report' and 'match cards' interchangeably.

[As a Coach/Manager - How to print match card](#)

[As a Club Admin - How to print match card.](#)

Make sure to use the event titled "N1 | Midwest District 5 (Michigan State Youth Soccer Association) | 2026-27" (and not the N1 Registration/Passcards & Rosters event)

N1 Game Reporting

The HOME team is responsible for REPORTING the game scores and UPLOADING to GotSport the game report of each National 1 game.

Scores and game reports must be reported/uploaded within 24 hours of each N1 game.

Failure to report the game score or upload the game report within 24 hours may result in a \$25 fine or game forfeiture. Instructions for reporting scores and uploading game reports are located below.

Uploading Game Reports

Go to <https://system.gotsport.com/scoring> and follow the prompts. Event Code and Event Pin can be found at the top of the game report.
